

Remarks:

This amendment is submitted in an earnest effort to advance this case to issue without delay.

Applicant herewith elects the method. Original claims 1-3 read on the method, and claims 4-7 have been amended to depend from the method claims. It is noted that it is standard to modify a method claim by describing elements used in the method.

The translated claims have been modified to comply somewhat better with US practice.

Respectfully submitted,
K.F. Ross P.C.
